

In Bloom...

Poinsettias for the Holidays

Deep in tradition brings beauty to every home

by Jim Clesen

Did you know that an environment filled with plants reduces stress while increasing creativity and productivity? This holiday season share the **elegant beauty of an RCOP holiday poinsettia** with people you appreciate while creating **an atmosphere that is a warm, inviting, and festive.**

Poinsettias can be displayed in a variety of ways and they make spectacular gifts. Since poinsettias look best in groups you never have to worry if the recipient already has one.

Our varieties and colors are selected for their brilliance as well as longevity. This year we are growing 12 different varieties and 7 different sizes – with that kind of selection we are sure to have something to meet your needs. Perhaps this year you will want to add a little bling to your order with our decorative glitter service. With almost 40 years' experience, our commitment is to provide you with florist quality- premium greenhouse fresh poinsettias that will bring you joy throughout the entire holiday season.

We welcome and encourage you to view the crops in season. **Feel free to stop in for a visit, we are open weekdays from 8:00am – 3:30pm.** If you would like to frolic in a wonderful sea of holiday color, please call ahead.

CARING FOR YOUR POINSETTIA

DO's

Place plant in indirect sunlight up to six hours per day.

Provide room temperatures between 68°-70° F.

Water thoroughly when soil is dry to touch.

Fertilize after blooming season. Keep your plants in the sleeve or a roomy bag to protect them during transport.

DON'Ts

Expose to chilling winds when transporting.

Place near cold draft or excessive heat.

Expose to temperatures below 50° F.

Allow to sit in standing water.

Fertilize while in bloom.
